

Hi Charles

Sorry for the late reply.

Happy New Year to you and your family. I hope you had an enjoyable Christmas.

Thank you for the vouchers you gave us at Christmas. I was able to help 20 families. Of the 20 families, 13 were pupil premium.

I have attached the 'Thank you' pictures I received from some of the children.

Below are comments I have received from some of the families;

Hi

Hope you well ,

Yeah, we so much appreciate it, the children really enjoyed the shopping and we had a great time along the line  
Thanks so much, kind regards

Without these vouchers we would have really struggled over Christmas so project fivek helped out more than they could ever now.

Christmas is always a very hard time financially and it was such a relief to have some added help with food vouchers at a stressful time.

I am very appreciative for receiving these vouchers. They really helped us with food thay we needed and i was able to treat my son to some of his favourite snacks as it was Christmas, so he was very happy also. Thankyou for helping us.

Thank you Project K

Your continuous support as been immense help

I hope you find the above comments useful.

Kind regards

Lynsey
