Summer 2025

Dear Charles

I would like to thank you once again for all of the support you have given to some of our families over the summer period in the form of very generous Aldi gift cards.

In total the gift cards have helped 20 of our most needy families; a total of 25 children.

The families were very appreciative of the gift cards particularly with the extra expense and stress of the summer holidays.

Your kind donation supported:

Child A and B – a family struggling with the cost of living crisis.

Child C and D – one child with additional needs and family struggling with the cost of living rise.

Child E and Child F – a family struggling with the cost of living crisis.

Child G and Child H – both children with additional educational needs and family struggling with the cost of living rise.

Child I and J – family struggling with the cost of living crisis.

Child K & Child L - both children with severe additional educational needs and a family struggling with the cost of living crisis.

Child M and Child N – a family struggling with the cost of living crisis.

Child O – a family struggling with the cost of living rise.

Child P and Child Q – both children with severe additional needs and struggling with the cost of living rise.

Child R – child with additional needs and family struggling with the cost of living rise.

Child S – family struggling with the cost of living rise.

Child T – family struggling with the cost of living rise.

Child U – Looked after child.

Child V – family struggling with the cost of living rise.

Child W – child with educational needs and family struggling with the cost of living rise.

Child X – child with additional education needs and family struggling with the cost of living rise.

Child Y – child with additional educational needs and family struggling with the cost of living rise.

All of these families struggle with significant life issues; special educational needs, financial hardship and mental health difficulties. Your kind donations have helped make Summer 2025 a little bit easier for the children and their parents. On behalf of them, we would like to offer our sincere thanks for all your kindness.

Kind regards,

Yours sincerely

Rachel Wilkes
